EU Energy Star programme - Imaging Equipment specification v1.1 — registered EU Energy Star Manufacturers and Products

This document lists only the manufacturers and products that are directly registered with the European Commission in the EU Energy Star programme under the current qualification specifications.

In no event shall Energy Star or the European Commission or its contractors be liable for special, indirect, exemplary, or consequential damages or any damages whatsoever that may arise from using the information in this document. Contents of this document are subject to change without notice.

Imaging Equipment

Company	Qualifying product(s)		Product type
	Brand name	Model reference	
Argox Information Co., Ltd			
	Argox	Desktop Barcode Printer OS-214 plus	Printer
Brother International Europe			
	Brother	DCP-145C	Multifunction Device (MFD)
	Brother	DCP-163C	Multifunction Device (MFD)
	Brother	DCP-165C	Multifunction Device (MFD)
	Brother	DCP-167C	Multifunction Device (MFD)
	Brother	DCP-185C	Multifunction Device (MFD)

EU Energy Star programme - Computer Equipment specification v5.0 — registered EU Energy Star Manufacturers and Products

This document lists only the manufacturers and products that are directly registered with the European Commission in the EU Energy Star programme under the current qualification specifications.

In no event shall Energy Star or the European Commission or its contractors be liable for special, indirect, exemplary, or consequential damages or any damages whatsoever that may arise from using the information in this document. Contents of this document are subject to change without notice.

Computer Equipment

Company	Qualifying product(s)		Product type
	Brand name	Model reference	
Akhter Computers Plc			
Akhter Computers	AIO-ES5-E5500		Integrated desktop computer
Akhter Computers	AIO-ES5-E5700		Integrated desktop computer
Akhter Computers	AIO-ES5-E6800		Integrated desktop computer
Akhter Computers	AIO-ES5-E8400		Integrated desktop computer

EU Energy Star programme - Displays v5.0 — registered EU Energy Star Manufacturers and Products

This document lists only the manufacturers and products that are directly registered with the European Commission in the EU Energy Star programme under the current qualification specifications.

In no event shall Energy Star or the European Commission or its contractors be liable for special, indirect, exemplary, or consequential damages or any damages whatsoever that may arise from using the information in this document. Contents of this document are subject to change without notice.
