EU Energy Star programme - Imaging Equipment specification v1.1 – registered EU Energy Star Manufacturers and Products

This document lists only the manufacturers and products that are directly registered with the EC in the EU Energy Star programme under the current qualification specifications.

In no event shall Energy Star or the EC or its contractors be liable for special, indirect, exemplary, or consequential damages or any damages whatsoever that may arise from using the information in this document. Contents of this document are subject to change without notice.

Imaging Equipment

Company	Qualifying product(s)		
	Brand name	Model reference	Product type
Brother International Europe	Brother	DCP-145C	Multifunction Device (MFD)
Brother International Europe	Brother	DCP-163C	Multifunction Device (MFD)
Brother International Europe	Brother	DCP-165C	Multifunction Device (MFD)

EU Energy Star programme - Displays v5.0 — registered EU Energy Star Manufacturers and Products

This document lists only the manufacturers and products that are directly registered with the EC in the EU Energy Star programme under the current qualification specifications.

In no event shall Energy Star or the EC or its contractors be liable for special, indirect, exemplary, or consequential damages or any damages whatsoever that may arise from using the information in this document. Contents of this document are subject to change without notice.

Monitors
